***Woman's Day History***

*The original idea for Women's Day began with Mrs. Nannie Burroughs, who had been instrumental in planning, organizing, and implementing the Women's Convention.*

*The first Women's Day was celebrated July 1907, and has become an Annual Day in many churches.*

*Women's Day was organized to serve two purposes:*

- 1. To interest women of the local churches in supporting the Foreign Mission, morally, spiritually and financially.*
- 2. To "Raise Women" in the areas of public speaking, spiritual motivation, effective leadership, dispensation of personal talents and shared fellowship.*

*The idea of Women's Day at Friendship Baptist Church was organized and implemented in April 1949, under the direction and leadership of Mrs. Mary Eatmon Smith (who passed away April 9, 1989). Mrs. Smith invested much love and tireless energy into this idea, and as a result, helped make Women's Day at Friendship Baptist Church what it is today. We give special thanks to God for fine Christian women like Sister Burroughs and Sister Smith who had the courage and foresight to start Women's Day.*

*We invite all of you to join us as we continue to "Strive for Excellence." We pray that as Christian women we will move daily in the Lord's will and in His way.*

*God Bless Women Everywhere!*

*On behalf of the women of Friendship,*

To God be the glory for the greater things he has done.

What a privilege and honor to serve the Lord while working with Beautiful Christian Ladies. I thank God for each of you, for your support in all activities and events. When I think of the faithfulness of God towards us all, I am filled with thanksgiving and praise. My prayer is that we as "Christian women stay wrapped in God's love" continue to love and respect one another, comfort and pray for each other and most of all encourage everyone to keep going.

"In happy moments, praise God. In difficult moments, seek God. In quiet moments, trust God.

Joyfully His and yours,
